# Welcome

**MultiPlan's Beech Street Network**, would like to welcome you to our family of employers, their employees and family members who use our Worker's Compensation provider networks. MultiPlan is a national provider company with networks in more than forty states serving local and national employers. Our Beech Street Network Worker's Compensation network offers access to some of the most quality-conscious, cost-effective, and prestigious providers and facilities across our nation.

Please take a moment to familiarize yourself with this directory:

- The directory contains a listing of providers who were members of **MultiPlan's Beech Street Network** Worker's Compensation network at the time this book was printed. Every effort was made to ensure the accuracy of the directory at the time of printing; however, changes do occur daily.
- Select a **Beech Street Network** Worker's Compensation provider from the directory and verify their participation by checking with the provider's office to ensure that they continue to be eligible **Beech Street Network** providers.
- You may also check the **Beech Street Network** website at [www.beechstreet.com](http://www.beechstreet.com) to search for the most current listing of providers in the **Beech Street Network** or call 1-800-877-1555 to check provider membership or to receive assistance in selecting an appropriate provider in your area. All physicians within a group, or facility based physicians, do not automatically participate in the network. In order to ensure that you see a network provider, please verify individual participation prior to your visit.
- If your physician has an office location that is not listed in this directory please verify participation at that location.
- Ask for a **Beech Street Network** provider if you are referred to another physician, facility or lab/x-ray services. Also, please verify that they are **Beech Street Network** providers by calling the 800 number listed.
- Please identify yourself as a **Beech Street Network** member by showing your identification card at every visit.
- Many area codes nationwide split each year and allow a time period for permissive dialing. As MultiPlan is informed of these changes we update our system. If an area code is incorrect in this book, please contact your local phone company for the correct area code.

Remember, **MultiPlan** neither pay claims nor make decisions regarding your benefits. Please check your insurance identification card for the phone number for benefits or claims assistance.
